

# Spring Cleanup Program

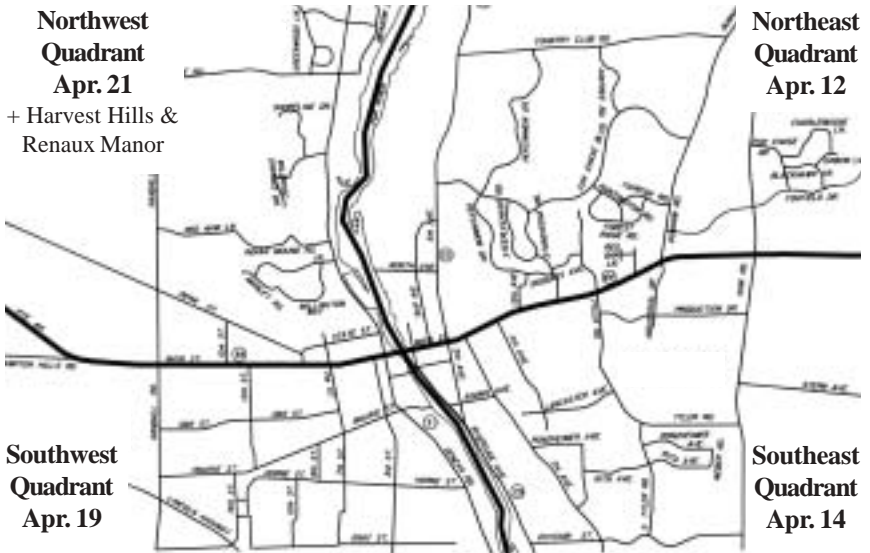

Each spring the City conducts a two-week Spring Cleanup Program, **independent of regular refuse service**, to promote fire safety and help dispose of items difficult to discard. Two options are available:

## **Option #1 - Residential Truck or Trailer Drop Off**

**April 12-16 and April 19-23**

Call the Public Works Office (377-4405) no sooner than 8 a.m. on Apr. 5 to reserve a truck/trailer to be dropped off at your home before 5 p.m. on one of the above days. Fill the truck/trailer with items for disposal prior to pickup the next day around 6:30 a.m. **Voicemail reservations will not be accepted.**

## **Option #2 - Curbside Pickup**

The following materials will **NOT** be accepted (truck or curbside):

Household Hazardous Waste (chemicals, pesticides, paint) - drop off at Naperville Fire Stn. #4, Brookdale & Rte. 59; 9 a.m.-3 p.m., Sat. & Sun.

Yard Waste (grass, leaves, brush, garden waste, sod)

Tires - for disposal options call the IEPA at 217-785-8604.

Appliances - attach a refuse sticker for pick-up on regular garbage day.

Household Refuse (debris normally placed in refuse bags)

Contractor Construction Waste (masonry, roofing materials, windows, doors, drywall, siding, large quantities of lumber) - special arrangements should be made with a refuse hauler

Please direct questions regarding Spring Cleanup to the Public Works office at 377-4405.

# Brush Pickup Program

Brush Pickup (branches at least 3 ft. long and less than 12" in diameter) begins April 5 (east side) and April 12 (west side). Brush piles that do not conform to the following requirements or with vehicles parked in front of them will **not** be picked up.

Brush must be placed on the **parkway** (not in the street), cut ends facing the street, before **7 a.m. on Monday** (see list for east and west side dates). *The quantity of brush will affect how quickly a crew can move through an area. Once the crew passes an individual address, they will not come back to that address until the next scheduled pickup date.*

Do **not** bundle brush with rope or wire.

Pile brush no higher than 4 feet.

Brush must never be piled in the street (prohibited by City code).

Please do not place metal, lumber, grass, leaves, dirt, roots, or poison ivy/oak in the pile.

**Stumps:** Crews will compile a list of addresses with tree stumps (over 12" in diameter) that will be picked up later.

**Tree Trunks:** The maximum size branches that can be picked up by brush crews is 12" in diameter and 12' long. Anything larger or longer will need to be split or cut prior to collection.

**Branches, Trimmings & Leaves:** These items should be placed in a brown paper yardwaste bag with the City logo on the side. Generic brown yardwaste bags can also be used but must have an orange waste sticker affixed to the bag in order for Onyx to pick them up. Yardwaste will be picked up on your normal garbage day.

**Mulch:** Residents may pick up free mulch (self serve) from Public Works, 1405 S. 7th Ave., Mon.-Fri., 8 a.m.-4:30 p.m. Please bring a shovel and container, and sign in at the office before proceeding to the mulch pile. End-loaders are available to load mulch on Fridays, 7-8 a.m. by appointment (call 377-4405). **The City does not deliver mulch.**

2004 Brush Pickup Schedule	
East Side	West Side
Apr. 5	Apr. 12
Apr. 19	Apr. 26
May 3	May 10
May 17	May 24
No Pickup May 31	
June 7	June 14
June 21	June 28
July 6	July 12
July 19	July 26
Aug. 2	Aug. 9
Aug. 16	Aug. 23
No Pickup August 30	
Sept. 7	Sept. 13
Sept. 20	Sept. 27
Oct. 4	Oct. 11
Oct. 18	Oct. 25
Nov. 1	Nov. 8
